International Wing Chun Organization

31st December 2013

Dear IWCO Students,

IWCO has kept growing rapidly and dynamically in 2013. Our global schools have been gaining more recognition and acceptance than ever through participating different international competitions and demonstrations. Our IWCO - Italy just won 3 gold medals, 2 silver medals and 1 bronze medal in Wing Chun Form & Chi Sao tournament in the "Dragon Cup 2013" organized in Rome last month. Besides, IWCO successfully organized the 1st European Wing Chun Cup in May 2013 in St Petersburg, Russia within the "Martial Arts Olympics" which is one of the biggest martial arts events in Europe. We shall continue to organize the 2nd European Wing Chun Cup in 2014.

International and national seminars and grading systems are continuously highly welcome and recognized. All these significant results are actually attributed by your great support. Without you, all these would not have happened. I would like to take this opportunity to express my heartfelt thanks for your dedication to the school.

Next year is the Year of Horse. From the Chinese classical book, I-Ching, it is forecasted that 2014 is a year of unrest in the political and economical aspects. Confrontation may happen among countries of which may lead to wars. Financial turmoil may happen. As martial arts practitioners, we should not only focus on the advancement of our kung fu skills but also have to concern more on our surroundings. We should always keep a kind heart to concern and help the weak and elderly. This is one of the martial arts ethics that we have to uphold.

Ahead to the festive season, I wish you a happy and very prosperous year of Horse, good health, good Wing Chun and all your wishes come true.

Yours sincerely,

Donald Mak
