To Whom It May Concern

I am pleased to confirm that Mr Robert Kenneryd has been learning the Wing Chun Kung Fu directly from me since 2008 till now. Due to his dedication and hardworking, Mr Kenneryd has met all of the specific standards, qualifications and requirements set up by International Wing Chun Organization and is recognized and awarded "Sifu Wing Chun Kung Fu".

It would be greatly appreciated if you could extend your fullest support to Robert in his Wing Chun teaching, spreading and promotion endeavour.

Yours faithfully,
For and on behalf of
International Wing Chun Organization
